Dealer in the Bank Notes & Stamps of Armenia, Nagorno Karabagh, and The Middle East

Dear Investor:

You are receiving this e-mail because you have either purchased Iraqi Dinars from us or you have shown interest in receiving info. Unless you e-mail us and ask to be removed from our list, you will receive an e-mail, once every month or so, informing you of the present situation with the Iraqi Dinars, the exchange rates, and any related info pertaining your investment.

July 2004

I have received numerous e-mails and phone calls from those who have purchased and those who are thinking of investing in Iraqi Dinars, and based on the questions asked I have prepared the following website which will be my main "Starting Info Page".

It is not a fancy website, it does not have all the Java applets, it is not professionally done, but it contains many information which are not known or shared by other dealers.

Please visit the following link and let me know how I can improve the site, and if you have further questions. The website is:

<http://www.mebanknotes.com/iraqidinar/iraqidinar.html>

Feel free to pass the link to your friends and those interested. This is a free service.
